Glen Miranker will be our keynote speaker for this year's event. Glen is responsible for the exhibition "Sherlock Holmes in 221 Objects" now running through December 16 at the Lilly Library on the campus of the University of Indiana Bloomington. After it's run at the Lilly, the exhibition is coming to the University of Minnesota, so many Explorers will have a chance to see it locally next year. The Lilly's website notes "Sherlock Holmes in 221 Objects draws upon the Sherlock Holmes collection of Glen S. Miranker, rich in bibliographic rarities, manuscripts, books, correspondence, and artwork, all with intriguing stories to tell beyond their significance as literary and cultural landmarks. The exhibition presents items to captivate bibliophiles, Sherlockians, and general audiences."

Our evening will also include the Annual Meeting and election of officers, Stand Upon the Terrace, Sigerson Awards, toasts, Irregular contests, quizzes, and other activities.

All attendees will receive a limited edition copy of The Norwegian Explorers 2022 Christmas Annual.
